

Dinner Menu

- Entrée *Smoked Salmon and Avocado, served with cocktail sauce, or Moroccan-spiced Lamb with Feta, Baby Spinach and Sun-dried Tomato*
- Main *Pan-fried Duck Breast served on a bed of Vegetable Couscous and topped with Raspberry Onion Marmalade, or Char-grilled Beef Fillet on Garlic Mash, Sautéed Baby Buk Choy and Mushroom Ragout*
Tea, coffee and mints
- White wines *Wolf Blass Eaglehawk Chardonnay*
Jacobs Creek Semillon Sauvignon Blanc
- Red wines *Wolf Blass Eaglehawk Shiraz Merlot Cabernet*
Jacobs Creek Merlot

Conference Venue

Ryde-Eastwood Leagues Club
 117 Ryedale Road, West Ryde, NSW 2114
 Ample car parking within the Club (entrance off Wattle St)
 Three minute walk from Ryde station

Conference Exhibitors

ASCP
Concrete Pavements Conference
2011

Tuesday 2nd August, 2011 Ryde-Eastwood Leagues Club West Ryde NSW

In association with the International Society
for Concrete Pavements

Major Sponsors

8.00 am	REGISTRATIONS and tea/coffee	
8.45 am	Welcome Conference Opening	Mark Hoskins Chris Harrison
	PAVEMENT DESIGN	
9.00 am	<i>Design features of CRCP in Belgium</i>	Luc Rens
9.25 am	<i>Research, Development and Implementation of Ultra-thin Concrete Pavements in South Africa</i>	Bryan Perrie
9.50 am	<i>Analysis of CRC Pavement Performance Using an Enhanced Subbase Erosion Model</i>	Dan Zollinger
10.15 am	<i>Sensitivity of built-in curl on the predicted fatigue cracking performance in jointed plain concrete pavements</i>	Jake Hiller
10.40 am	MORNING TEA	Sponsored by 
	PAVEMENT MATERIALS	
11.15 am	<i>Exploring the use of Self - Sustained Smart Sensing Systems for Concrete Pavement Applications</i>	Neeraj Buch
11.40 am	<i>Structural Evaluation of Pervious Concrete on Cellular Lightweight Permeable Concrete (CLPC) Base</i>	Jamshid Armaghani
12.05 pm	<i>Australian Concrete Highway Pavements—Source Technology 1975 - 2011</i>	John Hodgkinson
12.30 pm	PANEL DISCUSSION SESSION	
1.00 pm	LUNCH	Sponsored by 
	SUSTAINABILITY	
1.45 pm	<i>Concrete Pavement Recycling Practices in the U.S.</i>	Mark Snyder
2.10 pm	<i>Characterisation of Recycled Concrete Aggregates for Reuse in Rigid Pavements</i>	Jake Hiller
2.35 pm	<i>Sustainability Opportunities With Pavements: are we focusing on the right things?</i>	Leif Wathne
3.00 pm	<i>Concrete Roads : A Smart and Sustainable Choice</i>	Luc Rens

3.25 pm	PANEL DISCUSSION SESSION	
3.45 pm	AFTERNOON TEA	Sponsored by 
	PAVEMENT PERFORMANCE	
4.20 pm	<i>Current Situation of Concrete Pavements in Latin America</i>	Erwin Kohler
4.45 pm	<i>Establishing Built-in Temperature Gradient for Jointed Plain Concrete Pavements Constructed in Pennsylvania</i>	Julie Vandebossche
5.10 pm	PANEL DISCUSSION SESSION	
5.45 pm	Closing remarks	Mark Hoskins
	CONFERENCE DINNER	
6.15 pm	Pre dinner drinks	Sponsored by 
7.00 pm	Conference dinner	
7.20 pm	Presentation from ISCP President	Mark Snyder
8.15 pm	Report on EuPave activities	Luc Rens
10.30 pm	Function ends	

Speaker details

Jamshid Armaghani	Global Sustainable Solutions, USA
Neeraj Buch	Michigan State University, USA
Chris Harrison	Group General Manager, Engineering Technology Services Branch, Roads & Traffic Authority NSW
Jake Hiller	Michigan Technological University, USA
John Hodgkinson	CPEng, Member ASCP
Mark Hoskins	Leighton Contractors, and President ASCP
Erwin Kohler	Dynatest Consulting, Chile
Bryan Perrie	Cement & Concrete Institute, South Africa
Luc Rens	FEBELCEM, Belgium
Mark Snyder	American Concrete Pavement Association, USA and President ISCP
Julie Vandebossche	University of Pittsburgh , USA
Leif Wathne	American Concrete Pavement Association, USA
Dan Zollinger	Texas A&M University, USA
